Dry, moist, scaly, tetter, all forms of eczema or salt rheum, pimples and other skin eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

FLAG OF FREEDOM UNFURLED TO BREEZE

NEW REPUBLIC ON THE MAP

Ceremony of Turning Over Authority Carried Out on Yesterday—City of Havana Arrayed Like a Queen in Bright Colors.

(By Associated Press.)
HAVANA, May 20.—The Natal Day of the Republic of Cuba found Havana arrayed like a queen to await the coming of her lord. She seemed to have been clothed in the dignity of the prosperous days of her power and wealth. The decorations were universal. In some cases men had worked all night by the light of torches, to complete elaborate designs. There was not a residence, pretentious or humble, that did not bear upon its quaint facade some emblem in honor of the event.
Above every red-tiled roof rose a Cuban flag. The whole city seemed suddenly buried beneath a forest of waving banners. The decorations along the water front were exceedingly lavish and the shipping in the harbor was dressed in gala attire. The majority of the ships flew the American ensign at the main and the Cuban colors at the fore or mizzen.

METHODISTS ADJOURN IN GREAT CONFUSION

(Continued from First Page.)
to table the resolution. It was a close fight, and the ayes and noes were ordered, but the tabling was accomplished by a vote of 150 to 105. The other resolutions, preamble and all, were disposed of in the same way.

Then the compromise, signed by twenty-nine delegates the night before, was considered. It became evident that those who presented it held the balance of power. After the discussion of the compromise began its strength developed, and it was no surprise to anybody that the first section was adopted.

The minority, defeated on their own little line, fell in behind the standard of Dr. McMurray, of Missouri, who offered the compromise, and seemed about to have everything their own way, when the hour of adjournment until to-night came.

An incident of the debate which caused much amusement and laughter, even in the heated state of the minds of those participating, was due to Judge Shackelford, of Missouri, who claimed the recognition of the chair by exclaiming "Your Honor."

The compromise report, adopted at a conference held in the Cumberland Presbyterian Church last night, was signed by twenty-nine delegates. It sets forth the claims of the Methodist Episcopal Church, South, against the United States Government was a just claim; that after many efforts to secure the payment thereof, the sum of \$88,000 was accepted in full settlement, although the college of bishops and other members of the church is then set forth in the shape of a bare statement of facts, the correspondence and the record being declared without comment. It is then declared that the resolution, adopted on February 11, 1902, was a distinct reply to the offer of Bishop Hargrave, as secretary of the college of bishops, to return the money if the Senate believed that the passage of the bill was due to misleading statements.

Continuing, the resolution says: "In view of this record we are unable to see upon what ground there can be based the contention that the church should make a second offer and invoke a second refusal of the government or any department thereof."

"The report of the committee and the resolution by the Senate in explicit terms exonerate the church from all blame or ground of criticism for anything which occurred in connection with the passage of the bill and as a clear expression of the opinion that there is no obligation on the part of the churches to repay the money to the government or to make further offer to do so. But as the sum of \$100,000 was diverted from the church in the collection of the same and the diversion of the same was not known to the members of Congress who advocated and voted for the appropriation to pay said claim, the church distinctly repudiates all the acts of concealment, misstatement or unfairness, and pledges itself to raise as much as possible by a general offering from its members, according to such plan as the College of Bishops may devise, the sum of \$100,000, which shall be invested as a permanent fund, the interest from which shall be annually paid to the beneficiaries as contemplated by some of the Senators and Representatives when they supported the payment of the claim."

NORTH CAROLINA SOCIETY.

Annual Banquet Held Last Night at Delmonico's.
(By Associated Press.)
NEW YORK, May 20.—The annual banquet of the North Carolina Society was held at Delmonico's to-night. Over 300 members were present. F. M. Simmons, United States Senator from North Carolina, and other members of the Democratic Committee of that State, who was to have responded to a toast, was detained by the illness of his wife.
In the ante-room stood Clement Manley's substitute, for he was not able to be present. The substitute was a small pine tree, which he had shipped from North Carolina with his regret. Mr. Manley was formerly chairman of the North Carolina State Democratic Committee.
The toastmaster was W. V. Fuller, president of the society. Among the guests were: N. B. Duke, J. B. Duke, C. B. Brixton, of North Carolina, and Senator Arthur Pue Gorman, of Maryland.

The weather in the early morning was delightful and the entire population, reinforced by thousands of visitors, was abroad soon after daylight. All was animation and expectancy.
The actual transfer of the control of the island was scheduled to occur exactly at noon, Havana time, which is 20 E. M. Washington time, but those invited to witness the ceremony were requested to be at the palace at 11:30 A. M. They included, besides the American officials and the members of President-elect Estrella Palma's cabinet, the members of Congress, the Supreme Court judges, the Governors of the provinces, the officers of the visiting warships; the foreign consuls, William J. Bryan, the other visiting American statesmen, several of the members of the Central Valley (New York) neighbors, Horatio Rubens, counsel for the former Cuban Junta, William Astor Chandler and a few other specially invited guests.

THE FLAG RAISED.
The ceremony was brief and simple. After formal greetings, General Wood read the documentary transfer prepared by the War Department, pledging the new government to immediately proclaim the Constitution and the Platt amendment contained in the appendix and to undertake all obligations assumed by the United States with respect to Cuba by the treaty of Paris.

General Wood and his adjutant-general, Colonel Scott, with two aides, after a last exchange of good wishes, were driven to the pier, where they entered a launch and were flocked away to the Brooklyn. Both ships got under way as soon as possible and steamed out of the harbor.
While this was occurring at Havana, a similar scene was being enacted at Santiago, where General Canales, his adjutant-general, and his aides, were being driven to the pier by a launch, and were flocked away to the Brooklyn. Both ships got under way as soon as possible and steamed out of the harbor.

THE LADY PILGRIMS AT WILLIAMSBURG

Visit Historic Scenes There and Take Lunch in Yorktown College Treasurer.

(Special Dispatch to The Times.)
WILLIAMSBURG, Va., May 20.—"The Old Dominion Pilgrims" reached Williamsburg this morning, and were met at the depot by a committee headed by Miss Garrett, who had been designated as the patroness from Williamsburg, assisted by Mesdames Lyon G. Tyler, Israel Smith, J. B. Spangler, N. L. Hensley, and Misses Emily Christian, Louise Henley and Mary Garrett, representing the Colonial Dames and the local chapter of the A. P. V. A. The party at the station took carriages and were first taken to the residence of Dr. Van P. Garrett, senior warden of Bruton Parish, where they were shown the famous communion set of the church, the history of which was graciously given by Miss Mary Garrett.
These ladies then went to Bruton Church, where they were met at the gate by Rev. W. T. Roberts, rector in his cassock. Later the rector came into the chancel in full clerical robes and held a special service for the visitors.
From the church the visitors went to the college, where, by special invitation of the parties in charge, they were welcomed by President Tyler in a few well-chosen remarks, after which he presented each of the party with a handsome picture of the main college building. After viewing the library and antiquarian treasures in the library a visit was paid the Powder Horn, where more relics were seen. The Pilgrims then took carriage for Yorktown, where they had luncheon, returning to Williamsburg in the evening. Tomorrow they leave for Hampton and points thereabouts.

NEW SYSTEM FOR SELECTING TEACHERS

(Continued from First Page.)

nated by the superintendent, and shall be divided in convenient proportions between observation and teaching lessons.
"4. The superintendent shall select, in such of the district school buildings, as may seem to him best, two connecting or adjacent schoolrooms, which shall be placed in control of a skilled teacher. There shall be assigned to this skilled teacher two pupil teachers, one of whom shall have charge of each of these rooms. These pupil teachers shall be responsible for the proper instruction and discipline of their respective rooms, shall keep the registers, make out reports, etc., and discharge all the duties of a regular teacher, under the supervision of the skilled teacher. The whole shall be under the general supervision of the principal of the building.
"5. The district teacher shall be paid \$55 per month, and each of the pupil teachers at the rate of \$15 per month for the time of service.

CERTIFICATE TO BE GIVEN.
"6. The superintendent shall give at the close of the post-graduate course, as at present, but those who shall have taken a session's practice in actual work in the schoolroom as pupil teachers, and whose work shall have been approved by the superintendent, shall receive a special certificate, making them eligible for the position of teacher in the public schools of this city.

"7. A special examination shall be held for persons applying for positions on the substitute list, and persons holding the special certificate mentioned in section 5, or those of our regular post-graduates, who have had two years' successful experience in teaching a regular school, or who have graduated from the State Normal or the Peabody Normal College, or who have done one year's successful work in approved college, shall be exempted from this examination.
"8. Applicants for positions as teachers shall take a special examination with that view. This applicant must be such of our own post-studies into college work, or teachers whose work has demonstrated their efficiency. Both of these classes must be recommended by the superintendent, and successful experience in teaching a regular school. The superintendent may, however, assign to positions in the High School teachers from the district schools whenever in his judgment the interests of the High School will be promoted thereby.

TWO ELIGIBLE LISTS.
"9. From the applicants above mentioned there shall be made two lists of those who are authorized to teach in the High and district schools, designated the 'Eligible List for High School Teachers' and the 'Eligible List for District School Teachers,' respectively.
"10. The relative position of the applicants on the 'Eligible List for Substitutes,' if post-graduates, shall be determined in the beginning from the standing in the session's practice school, their standing at the two examinations next preceding their graduation; the relative standing of others shall be determined by examination standing, and such additional data as the experience of the applicant may justify.
"11. Each principal shall make a special list of the work of his teachers, especially the new ones, and shall report to the superintendent his estimate of the value of the teachers' work.
"12. The same general principles, suitably modified, shall apply to the selection of teachers for the district colored schools, the graduates of the Colored High and Normal School and from other applicants.
"13. The practice work shall be inaugurated at the beginning of the next session and put into operation as far as can be done without undue disorganization to the system."

around Hampton Roads, and in addition the thickly populated suburban districts. There are also six ferry lines, five electric lighting plants, two ice plants and two gas companies.
In addition the consolidated company will own three seaside resorts, with hotels, bath-houses and pavilions.

INTEREST IN THE DEAL.
Richmond Has Followed the Reports of It From the First.
Following closely upon the recent sale of the Williams street railway and electric properties, the Richmond Power Company, the reports of a similar consolidation and merging of rival interests around Hampton Roads have been received with no little interest in Richmond.

For some time the special dispatches in The Times from Baltimore and Norfolk gave exclusive information concerning the earlier steps taken by those representing these companies towards consolidation. These dispatches elicited vigorous denials from local public interest. The Times' correspondents continued, however, to report the progress of the negotiations looking to consolidation, despite earnest denials, and the sequel, coming within three or four weeks, attested the reliability of their sources of information.

R. R. Lancaster Williams, president of the Norfolk Company, was not in the city yesterday. Mr. W. J. Payne, president of the Newport News Company, gave out the following statement in an interview: "For some months negotiations have been going on between Mr. R. Lancaster Williams and myself, with the idea of effecting a combination of interests. A number of conferences in Richmond and elsewhere have been held. No contracts have been signed as yet. Whether they will or not is a matter likely to be decided in the next few days. If the deal goes through it will be a consolidation of the interests of the Norfolk, Newport News and the local interests of a special syndicate."

BOY BADLY HURT.

Paul Christian in Critical Condition as Result of a Fall.
Paul Christian, a little son of Mr. and Mrs. R. S. Payne, who met with a most serious accident Sunday night, by being thrown from a street car at Harrison and Franklin Streets, remains in a most critical condition.
The youth sustained a fracture of the skull and collarbone. He is under the care of Dr. Lewis Doshier.

OBITUARY.

Mr. Percy Montague.
Mr. Percy Montague, at one time prominent among the insurance men in this city, died yesterday morning at 3:30 o'clock at the home of his father, Mr. John H. Montague, No. 115 East Franklin Street, after a long illness.
For some years past Mr. Montague had been suffering from creeping paralysis and about a year ago he was forced to give up business. Since that time he has been at the home of his father, Mr. John H. Montague, and during the day yesterday he sank rapidly. Last night he was recognized to be in extremis.
Up to the time of his illness Mr. Montague had been associated in business with his father, Mr. John H. Montague. Mr. Montague was in the forty-eighth year of his age. In his youth he had been a pupil of Professors Strother and Norwood, and afterward attended the Episcopal High School at Alexandria, Va. He was survived by four children, Neville, Percy, Inez and Marion; by his father and mother, and by two brothers and two sisters, as follows: Mr. Meredith P. Montague, Mr. John Montague, Mrs. Arthur Lefroy and Miss Helen Montague, all of this city.
The funeral will take place at 10 o'clock this morning from the residence of his father. The following gentlemen will act as pallbearers:
Active—Messrs. George A. Lathrop, William H. Grant, J. R. Massie, William H. Grant, Jr., Joseph B. Johnson, Edward C. Mayo, Henry L. Cabell, James Caskie.
Honorary—Messrs. E. G. Leigh, Jr., Judge S. B. Witt, William C. Bentley, Ed. T. Crump, E. F. Palmer, R. H. Steger, T. Catesby Jones, T. Archibald Cary and A. Biene Blair.
Captain J. W. Talley.
Captain J. W. Talley, known all over the State as "Jack" Talley, died on Sunday at Hunter's Rest, his home, in Buckingham county, and his remains were taken to Buena Vista yesterday for interment. A special car carried many of his friends to attend the funeral. Several members of the Mystic Shrine went from this city.
Captain Talley was widely known and popular. With an open heart and genial temperament he had a pleasant smile and a kind word for all. He was a member of the United States Cavalry, and served as captain of one of the packet boats on the James River and Kanawha Canal, as passenger conductor on the Richmond and Alleghany Railroad, and as manager of excursions, he was brought in close touch with the traveling public, and his polite and cheerful attention to those placed under his care, or who traveled with him, made for him friends by the thousand.
Captain Talley was a native of Cumberland and a son of Dr. Edwin P. Talley, who was nearly a third of a century a prominent physician of that county. He entered the Confederate service as a member of the Cumberland troop, and later served as special courier. Upon withdrawing from railroad life, some years ago, Captain Talley engaged in the hotel business, first at Lexington, then at Natural Bridge, and later at Buena Vista, with the development of which town he was actively identified.
Captain Talley was twice married. His first wife, with her daughter, is buried at Buena Vista. His second wife, who survives him, was Miss Belle Nicholas, of Arvon, Va. He is survived by his aged mother and one sister, Mrs. W. T. Hanes, of Cumberland.

Captain J. W. Talley.
Captain J. W. Talley, known all over the State as "Jack" Talley, died on Sunday at Hunter's Rest, his home, in Buckingham county, and his remains were taken to Buena Vista yesterday for interment. A special car carried many of his friends to attend the funeral. Several members of the Mystic Shrine went from this city.
Captain Talley was widely known and popular. With an open heart and genial temperament he had a pleasant smile and a kind word for all. He was a member of the United States Cavalry, and served as captain of one of the packet boats on the James River and Kanawha Canal, as passenger conductor on the Richmond and Alleghany Railroad, and as manager of excursions, he was brought in close touch with the traveling public, and his polite and cheerful attention to those placed under his care, or who traveled with him, made for him friends by the thousand.
Captain Talley was a native of Cumberland and a son of Dr. Edwin P. Talley, who was nearly a third of a century a prominent physician of that county. He entered the Confederate service as a member of the Cumberland troop, and later served as special courier. Upon withdrawing from railroad life, some years ago, Captain Talley engaged in the hotel business, first at Lexington, then at Natural Bridge, and later at Buena Vista, with the development of which town he was actively identified.
Captain Talley was twice married. His first wife, with her daughter, is buried at Buena Vista. His second wife, who survives him, was Miss Belle Nicholas, of Arvon, Va. He is survived by his aged mother and one sister, Mrs. W. T. Hanes, of Cumberland.

The funeral of Mr. Pizzini.

The funeral of Mr. Juan A. Pizzini took place from St. Peter's Cathedral yesterday morning at 9 o'clock. Representatives from the various orders to which the deceased was a member, together with hundreds of his friends outside the lodge, crowded the Cathedral. The requiem mass was said, and the remains of the beloved man were laid away in Mount Calvary, where beautiful flowers cover the earth, placed there by loving hands and sprinkled with the tears of those he left behind.
